Subject: Early Clips - West Lake

Will send the full morning clips a little later as they are gathered....

St. Louis Post-Dispatch (+video) - EPA orders fire prevention measures at radioactive West Lake landfill - 12/10/15 - Environmental Protection Agency officials ordered more precautions Thursday to prevent a surface fire from breaking out within the radioactively contaminated West Lake Landfill. The move follows a brush fire inside the protective West Lake perimeter fence in late October that was ignited by a faulty electric switch. http://www.stltoday.com/news/local/metro/epa-orders-fire-prevention-measures-at-radioactive-west-lake-landfill/article_ba3bf57d-db36-53ea-aff8-143d26dea9a6.html

KWMU St. Louis Public Radio - EPA orders radioactive contamination protected against surface fires at West Lake - 12/11/15 - The U.S. Environmental Protection Agency is ordering those responsible for the West Lake landfill to clear brush and provide fire-proof cover for areas contaminated by radioactive waste. <http://news.stlpublicradio.org/post/epa-orders-radioactive-contamination-protected-against-surface-fires-west-lake>

Associated Press - EPA Orders Fire Prevention Steps for West Lake Landfill - 12/10/15 - The Environmental Protection Agency on Thursday ordered surface fire prevention measures at a St. Louis-area landfill where nuclear waste was illegally dumped four decades ago. <http://www.kansascity.com/news/business/national-international/article48991925.html>

KTVI Channel 2 St. Louis - EPA orders West Lake Landfill radioactive waste cleanup and fire protection - 12/10/15 - The Environmental Protection Agency issued two orders concerning the clean up and fire prevention at the West Lake Landfill in Bridgeton. <http://fox2now.com/2015/12/10/epa-orders-west-lake-landfill-radioactive-waste-cleanup-and-fire-protection/>

KMOX Radio St. Louis - EPA Orders Fire Prevention Steps for West Lake Landfill - 12/10/15 - The Environmental Protection Agency is ordering surface fire prevention measures at a St. Louis-area landfill where nuclear waste was illegally dumped in 1973. EPA Regional Administrator Mark Hague is also promising that by the end of this month, he will announce a plan on the firebreak trench. <http://stlouis.cbslocal.com/2015/12/10/epa-to-announce-new-order-for-troubled-landfill/>

Missouri Times - EPA Proposes Fire Mitigation at West Lake Landfill 20 Years after Surface Fire in the North Quarry - 12/10/15 - The Environmental Protection Agency (EPA) Region 7 is requiring the financially responsible parties at the West Lake Landfill to implement plans for mitigating surface fires.
